

# Terms & Conditions

By downloading or using the app, these terms will automatically apply to you. Therefore, it's important to read them carefully before using the app. You are not allowed to copy or modify the app, any part of the app, or our trademarks in any way. You are also prohibited from attempting to extract the source code of the app, translating the app into other languages, or creating derivative versions. The app itself, along with all the trademarks, copyrights, database rights, and other intellectual property rights related to it, still belong to Doopy Doop Games.

Doopy Doop Games is committed to ensuring that the app is as useful and efficient as possible. Hence, we reserve the right to make changes to the app or to charge for its services at any time and for any reason. We will never charge you for the app or its services without providing clear details about what you're paying for.

The Sunny Sudoku app stores and processes personal data you provide to us in order to deliver our service. It is your responsibility to keep your phone and app access secure. We recommend against jailbreaking or rooting your phone, as it may compromise your device's security, make it vulnerable to malware or viruses, and potentially cause the app to malfunction.

The app utilizes third-party services that have their own Terms and Conditions. You can find the links to the Terms and Conditions of these third-party service providers below:

- [Facebook](#)
- [Unity](#)
- [Sentry](#)
- [AppLovin](#)
- [AppsFlyer](#)

Please be aware that certain aspects of the app require an active internet connection. Doopy Doop Games cannot be held responsible if the app doesn't function fully without Wi-Fi access or if you exceed your data allowance.

When using the app outside of a Wi-Fi area, your mobile network provider's terms and charges will still apply. This means you may be charged for data usage or incur other third-party charges. By using the app, you accept responsibility for any such charges, including roaming data charges if you use the app outside your home territory without disabling data roaming. If you are not the bill payer, please ensure you have permission from the bill payer to use the app.

Similarly, Doopy Doop Games cannot be held responsible for the way you use the app. It is your responsibility to keep your device charged, and any loss of functionality due to a drained battery is not the responsibility of Doopy Doop Games.

While we strive to provide updated and accurate information within the app, we rely on third parties for the data we provide. Doopy Doop Games accepts no liability for any direct or indirect loss resulting from relying solely on the app's provided information.

Updates to the app may be released in the future. Please note that the requirements for the app's system, including compatibility with different iOS versions, may change. It is your responsibility to download updates to continue using the app. Doopy Doop Games does not guarantee ongoing updates or compatibility with specific iOS versions. We may also choose to discontinue the app and terminate its use at any time without prior notice. In such cases, your rights and licenses to use the app will end, and you must cease using and delete it from your device unless instructed otherwise.
